

# MILK PITCHER

ULTIMATE 5.0

TO REDEFINE LATTE ART

ADD QUALITY INTO COFFEE  
ONE WORK ONE CHANCE

**Bionic Crocodile Spout**

**Diversion Trench**

**304 Stainless Steel**

**Ergonomic Handle**

# LATTE ART

Professional Design For Better Latte Art

The inspiration of design comes from  
crocodiles' unique mouth

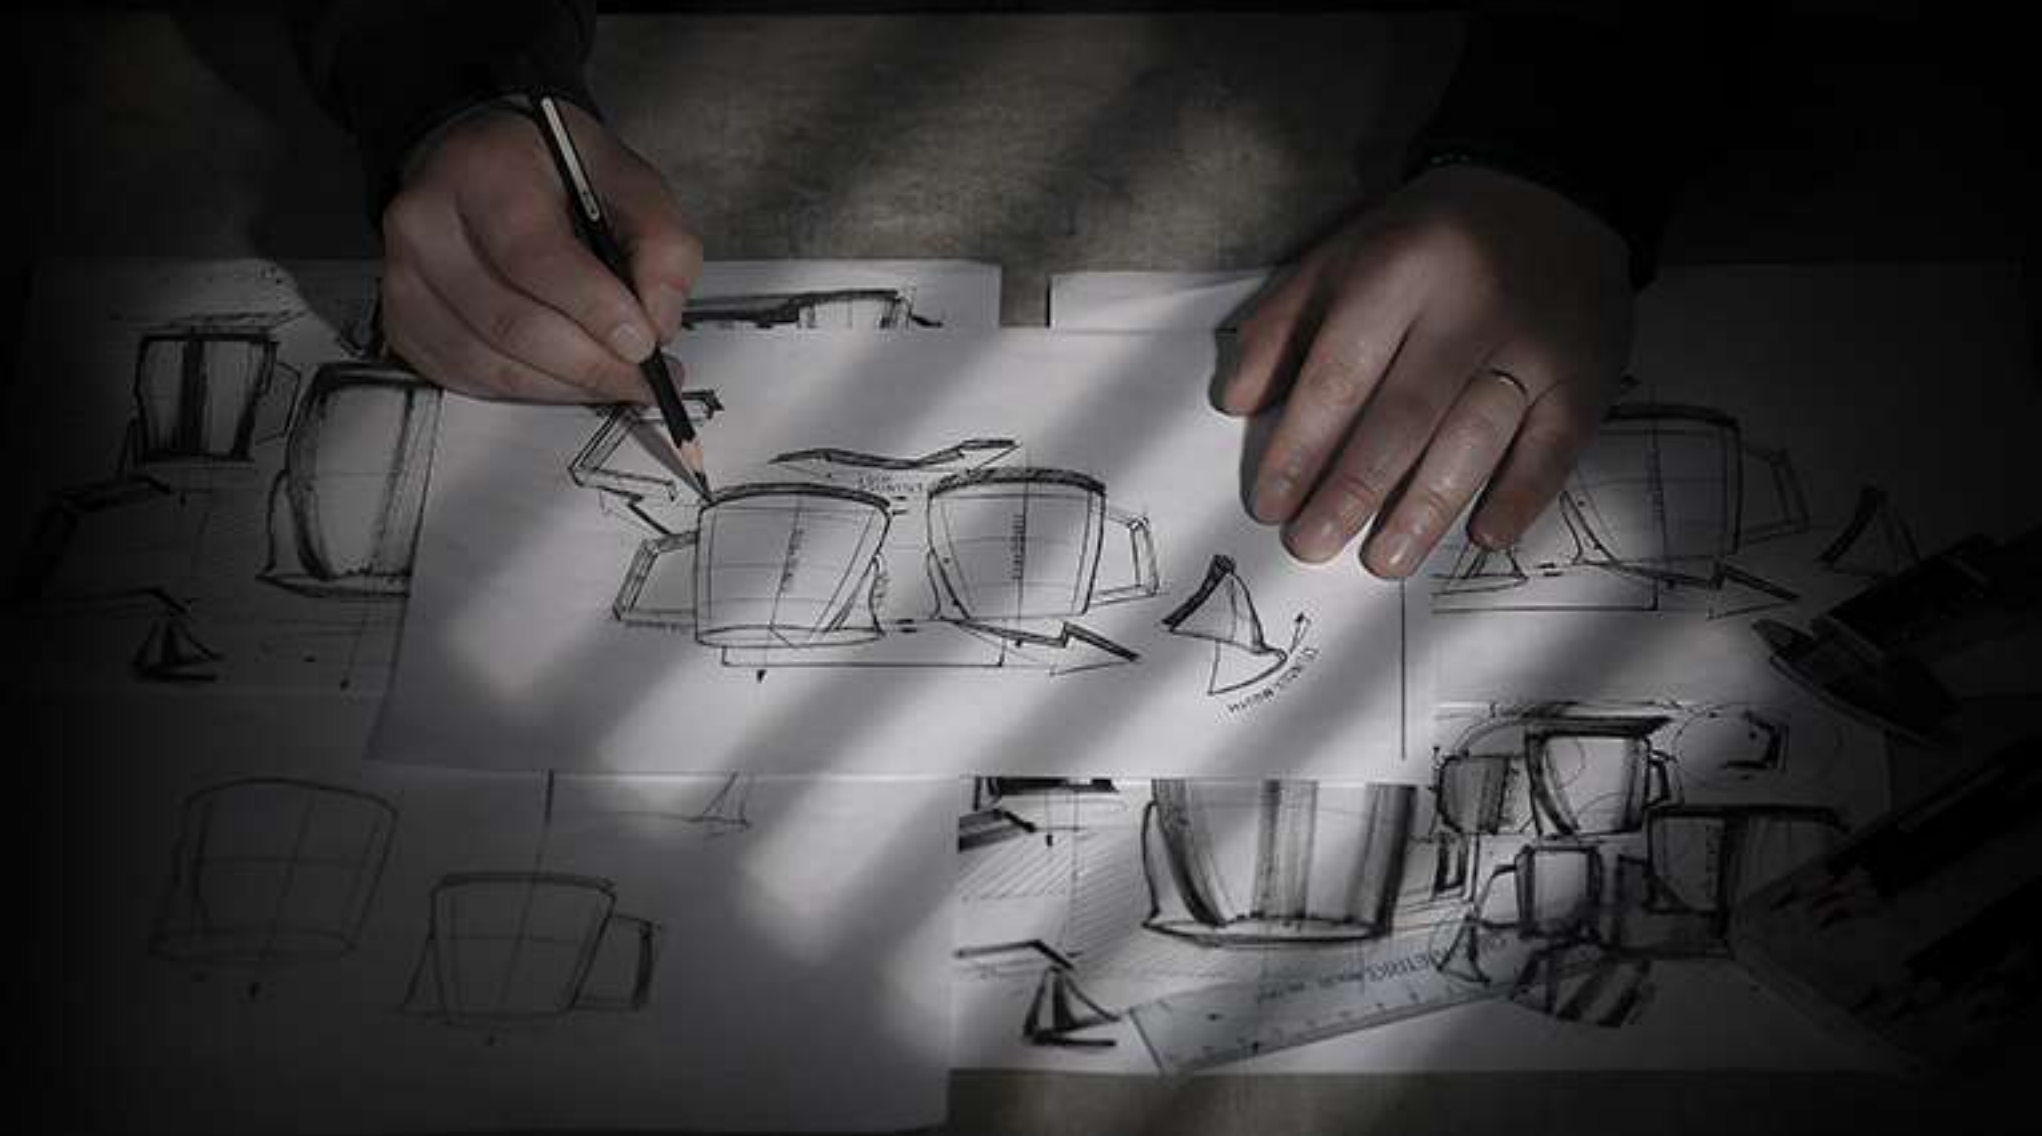

Such a spout makes clearer milk lines

And milk foams can flow out evenly

Less layers and good for pull flower

-ORIGINAL  DESIGN-

*We work so hard from design to practice  
Hope you will have a happy experience  
from appearance to use*

# CROCODILE MOUTH

*Unique crocodile spout  
Make clearer milk lines  
Easy to pull flower*

Patent Number  
CN 2020 3 0363933.3

# 304 STAINLESS STEEL

304 Food-grade stainless steel

Safe and green Sturdy and durable

Stoving varnish surface

Wearproof and easy to clean

Stainless steel interior Stoving varnish

# DIVERSION TRENCH

Front-and-back double arced diversion trench  
Help milk to release in abundance  
Make the second period of oscillation easier

# ERGONOMIC HANDLE

Widened internal space for vital or horizontal grasp  
Proper thickness and width for comfortable use

# INNOVATIVE PROPORTION

Ultimate5.0

VS

Tradition

*Reduce the height  
Enlarge lateral space  
Let milk foams mix evenly*

# SLANT BOTTOM

*Exclusive logo printing on the bottom*  
*Slant bottom contributes to gather milk foam*

# CAPACITY CHOICE

Recommendation :  
Macchiato/Flat white/Piccolo/Cappuccino

Recommendation :  
Flat white/Piccolo/Cappuccino/Latte

Recommendation :  
Chococino/Matchacino/Latte

Recommendation :  
Chococino/Latte/Matchacino/Espresso Latte

# WARM PROMPT

Dear friends:

There might be signs of process or slightly bump on the surface. But that will not affect its performance. Thanks for your understanding!
